Dear Valued Vendor,

Mack Energy Co. has an ongoing initiative to convert payments made by check to electronic payments via Automated Clearing House (ACH). Mack is making this payment method change for increased efficiency, cost reduction purposes, and to provide our vendors the fastest, safest, and most reliable payment.

An ACH payment is an electronic payment that is credited directly to your bank account on the payment due date. Mack will also provide along with the ACH payment an emailed electronic remittance advice listing, the invoice numbers, and dollar amounts deposited into your account. We are only able to email the remittance advice to one email address.

To participate in having your payments sent by ACH, please complete the form accompanying this letter. The return instructions are provided on the form. You must complete the email address section with the email address you would prefer the remittance advice be sent.

If you have any questions or concerns, please contact:
Accounts Payable at 405-832-9830 x213
or by e-mail at accountspayable@mackenergy.com.

Sincerely,

Erin N. Boyd
